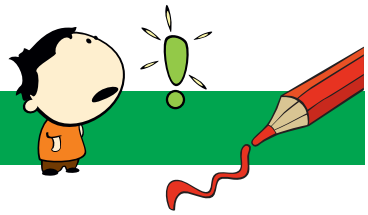
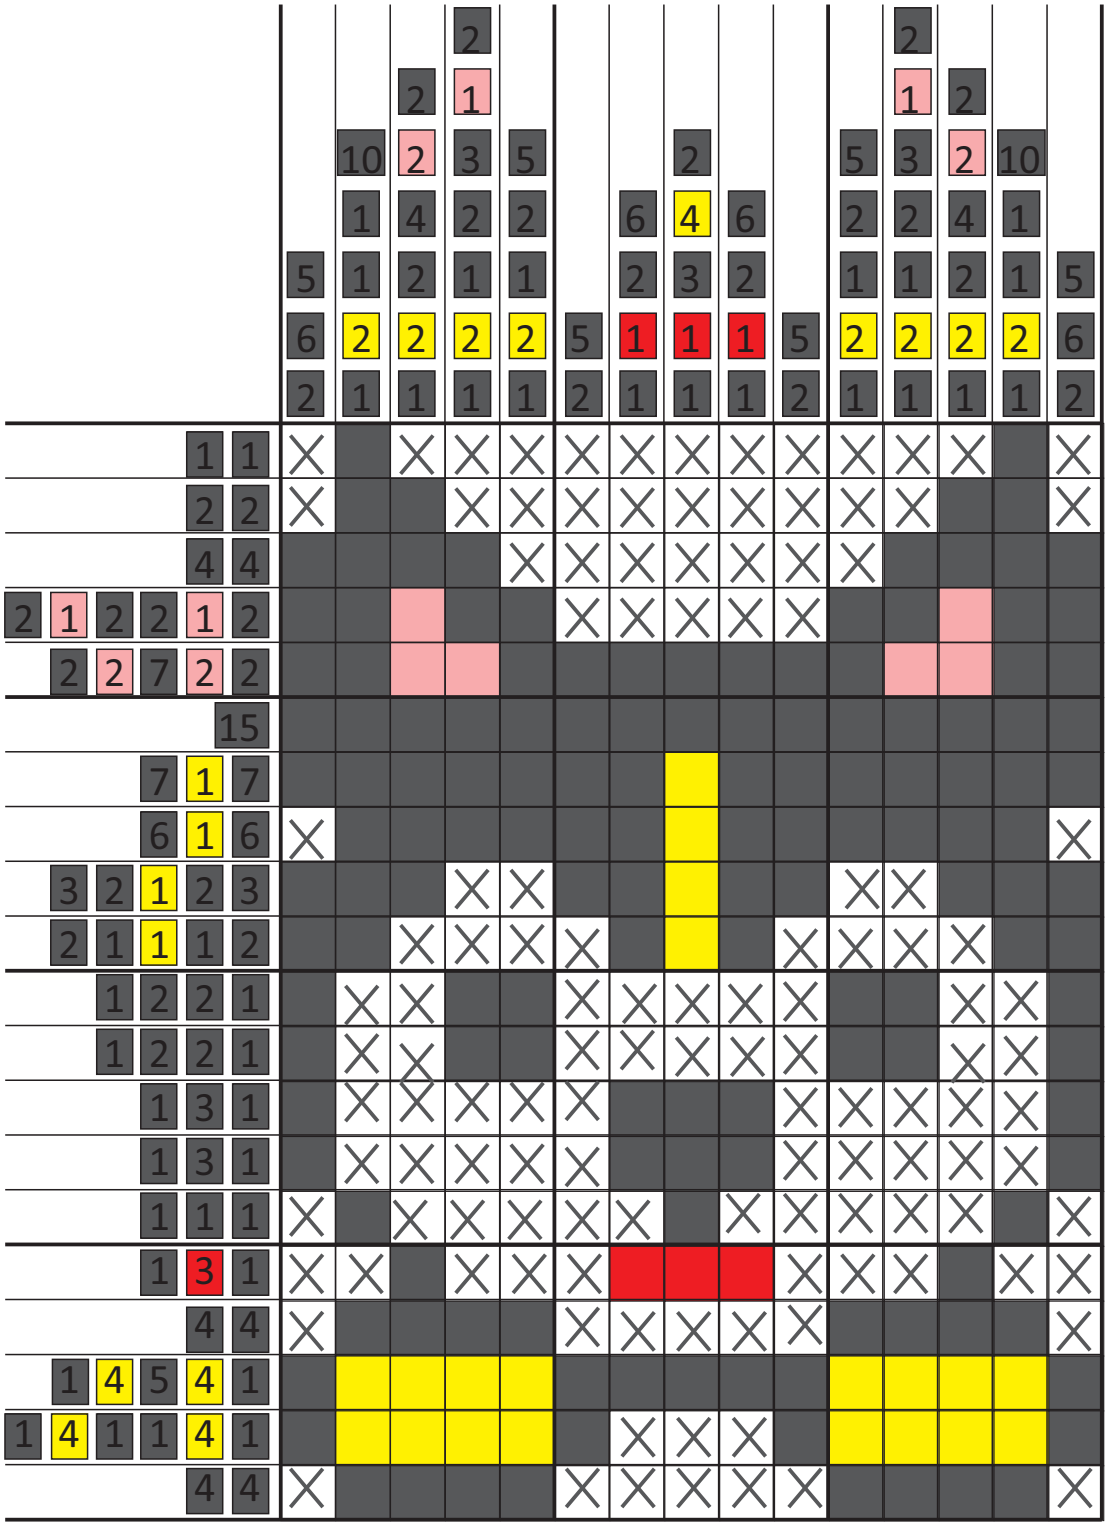
NONOGRAM 15X20

Dog



The numbers in front of the rows and above the columns mean the blocks of boxes that will be colored.

- Each numerical value corresponds exactly to the length of a block.
- If there are several numbers, their sequence corresponds to the order of the blocks.
- There must be at least one empty box between two blocks of the same color.
- There may or may not be an empty box between two blocks of different colors.


Tip: Start with the big blocks.
